HISTORICAL & STATISTICAL SKETCH

OF THE

CITY OF LOWELL.

In 1652, about twenty persons from Woburn and Concord petitioned the General Court for liberty to examine a tract of land lying on the west side of Concord river. Having made the necessary examination, in company with about twenty others, they preferred a petition in 1653, for a grant of the land bordering on the Merrimack, near Pawtucket. In their petition they represent, that, "there is a comfortable place to accommodate a company of God's people upon, who may, with God's blessing, do good in that place for church and state." They requested that the boundary of said land should commence at the junction of the Merrimack and the Concord rivers, and run six miles westerly on the Merrimack, and six miles

southerly on Concord river, making a tract of about thirty-six square miles. The tract petitioned for embraced what now constitutes Lowell and Chelmsford. The same year a petition on behalf of the Pawtucket Indians, was presented by the Rev. John Elliott, of Roxbury, that the lands lying about Pawtucket and Wamesit Falls should be appropriated exclusively to the use of the Indians. The petition stated that the Pawtuckets had occupied said ground, erected wigwams thereon, and prepared it in some measure for cultivation. To reconcile these conflicting interests, the Court granted to the petitioners from Woburn and Concord, the land requested, with exception of that part lying on the rivers, which was appropriated to the Indians.

The city of Lowell is now a part of the land granted at that time by an act of Court to the Pawtucket Indians, once the most powerful and chivalric tribe in the north of Massachusetts. The historian Gookin states, that "the tribe was almost wholly destroyed by the sickness in 1612 and '13; and at this day (1674) there are not above two hundred and fifty men, besides women and children. What that disease was that so generally and mortally swept away these and other Indians in New-England, I cannot learn. Doubtless it was some pestilential disease. I have discoursed

with some Indians, that were then youths, who say that their bodies were exceedingly yellow, before and after they died, describing it by a yellow garment they showed me."

Gookin says that he visited the Pawtucket Indians in company with Elliott, on the fifth of May, 1764, and that Elliott delivered a sermon to them that evening, from the 22d chapter of Matthew, from the 1st to the 14th verse. The meeting was held in Wanalancet's wigwam, near the Pawtucket Falls. By the influence of Elliott, a certain form of Courts was established among the Indians, at the session of which, an English magistrate presided. The records of our early history show that the first court in Middlesex county was held near the junction of the Merrimack and Concord rivers, on the land through which the Boott canal now passes.

In 1726, Wamesit, as the Indian tract was called was annexed to the town of Chelmsford.

Tradition says that the house erected by the Indians for public worship, was built of logs and located on the high ground at the head of Appleton street.

As the English population increased here, the Indians decreased, till their number became very small, when they sold out their remaining lands, and removed to the north.

Their last abiding place here, we are informed, was on Fort Hill, around which, portions of a trench dug by them are still visible.

THE TOWN OF LOWELL, as incorporated by an act of the Legislature, passed on the first day of March, 1826, contained four square miles, and was formerly the northeastern section of the town of Chelmsford. The Legislature in 1834, annexed Belvidere Village, the westerly corner of Tewksbury, to Lowell. This annexation extends the territory of Lowell to nearly five square miles.

The population of Lowell in 1820, was about 2000 ; in 1828, 3532 ; in 1830, 6477 ; in 1832, 10,254 ; in 1833, 12,363. The present population doubtless exceeds 18,000.

The first effort to promote manufactures in this place, were made in 1813. In consequence of the restrictions that were laid on commerce, and of the war with Great Britain, the attention of many enterprising men was directed to domestic manufactures. Capt. Phineas Whiting and Capt. Josiah Fletcher, having selected an eligible site on Concord river, at the Wamesit Falls, about a hundred rods from the Merrimack, erected at the expense of about \$3000, a large wooden building for a cotton manufactory. In 1818, they sold their buildings and their right to the water power, to Mr Thomas Hurd. Mr Hurd

afterwards fitted up the wooden factory and erected a large brick one, and several dwelling houses, and improved the same for fabricating woolen goods. The woolen factory was destroyed by fire on the 30th of June, 1826, but was rebuilt immediately after. Mr Hurd continued the business till the great pressure in 1828, when he was compelled to assign his property for the benefit of his creditors, and which was afterwards purchased by the Middlesex company.

About the year 1820, Messrs. Patrick T. Jackson, Nathan Appleton and Kirk Boott, of Boston, entered into a design to form a company for the purpose of manufacturing cotton goods, particularly calicoes. They accordingly commenced an enquiry for a suitable water privilege. A large number of privileges were examined, and for various reasons, rejected. At length Mr Paul Moody, then connected with the manufacturing establishments at Waltham, while on a visit to his friends in Amesbury, met with Mr Worthen, a gentleman of taste, with views cogenial to his own, to whom he mentioned that an extensive water privilege was wanted by the above named gentlemen. Mr Worthen replied "why do they not purchase the land around the Pawtucket Falls, in Chelmsford? They can put up as many works as they please and never

want for water." This conversation resulted in a visit of these gentlemen to this place, and from observation they were both satisfied that the privilege was exactly what was wanted. The Pawtucket canal was immediately purchased by Messrs Jackson, Appleton & Boott.

This canal was projected about the year 1790, and the proprietors were incorporated in 1792, by the name of "The Proprietors of the Locks and Canals on Merrimack river." It was open for the purpose of facilitating the transportation of wood and lumber from the interior to Newburyport. It is about one mile and a half in length, had four sets of locks, and was built at the expense of \$50,000. Its direction is nearly east, and it enters Concord river just above its junction with the Merrimack, where the water is thirty-two feet lower than at the head of the Pawtucket Falls.

It is worthy of remark, that a few years before the purchase was made by Messrs Appleton, Jackson and Boott, an engineer was sent to examine this place, by a number of gentlemen in Boston, who made a report that there was no water privilege here.

The company made the first purchase of real estate on the 2d of November 1821.— They began their work about the 1st of April 1822. On the 10th of July they began to dig the canal broader and deeper, and let the

water into it about the 1st of September, 1823. Five hundred men were constantly employed in digging and blasting. The gunpowder used in blasting, amounted to \$6,000, at one shilling per pound. The whole expense of digging the canal was about \$120,000. It is now sixty feet wide, has three sets of locks and the water in it is eight feet deep, and is calculated to supply about fifty mills. In digging this canal ledges were found considerably below the old canal, which bore evident traces of its having once been the bed of the river. Many places were found worn into the ledge, as there usually are in falls, by stones kept constantly in motion by the water; some of these cavities were one foot or more in diameter and two feet deep.

The company was first incorporated by the name of the "Merrimack Manufacturing Company." In 1825, a new company was formed, called the "Proprietors of Locks and Canals on Merrimack river," to whom the Merrimack Manufacturing Company sold all the water privilege and all their real estate, together with the Machine Shop and its appurtenances, reserving water power sufficient, for five factories and the Print works, and also the buildings occupied for for boarding houses, and the land on which they are situated.

There are ten Houses for public worship in Lowell.

16 Primary Schools, 5 Grammar Shools, and 1 High School.

Lowell became an Incorporated City, in Februry, 1836, by an act of the General Court, accepted by a vote of the people, April 11. On the first of May, the following Officers were chosen for city government.

CITY CHARTER.

Be it enacted by the Senate and House of Representatives, in General Court assembled, and by the authority of the same, as follows:

SECTION 1st. The inhabitants of the town of Lowell, for all purposes, for which towns are by law incorporated in this Commonwealth, shall continue to be one body politic, in fact and in name, under the style and denomination of the City of Lowell, and as such shall have, exercise, and enjoy all the rights, immunities, powers and privileges, and shall be subject to all the duties and obligations, now incumbent upon, and appertaining to said town,—and the administration of all the fiscal, prudential and municipal concerns of the city, with the conduct and government thereof, shall be vested in one principal officer, to be styled the Mayor, one select council, consisting of six persons, to be denominated the Board of Aldermen, and one Council, to consist of twenty-four persons, to be denominated the Common Council, together with such other boards of officers as are hereinafter specified. The mayor, aldermen and common council, in their joint capacity, shall be denominated the City Council, and shall not, excepting the Mayor, receive any compensation for their services.

Sec. 2d. The mayor, aldermen and common council, chosen as hereinafter provided, shall enter on the duties of their respective offices on the first Monday of April in each year, and shall hold their offices for the term of one year from the time of their so entering on the duties thereof; and before entering on said duties, the Mayor, Aldermen and Common Council, shall be sworn to the faithful discharge of their duties. And such oath may be administered to the Mayor elect by any justice of the peace for the county of Middlesex; and such oath shall be administered to the aldermen, and common council, by the Mayor, being himself first sworn as aforesaid, and a certificate of such oath having been taken, shall be entered in the journal of the mayor and aldermen, and of the common council, by their respective clerks, and whenever, on examination, by the mayor and aldermen for the time being, of the returns of votes given for mayor at the meeting of the citizens, holden for the purpose of electing that officer last preceding the first Monday of April, in each year, no person shall appear to have a majority of all the votes given for mayor, the mayor and aldermen by whom such examination is made, shall make a record of that fact, an attested copy of which, it shall be the duty of the city clerk, to produce and read, on the first Monday of April in each year, in the presence of the persons returned to serve as aldermen and common councilmen: and thereupon the oath of office prescribed by law, may be administered by any justice of the peace for the county of Middlesex; and the board of aldermen shall then proceed to elect a chairman, who shall perform the duties of mayor until the mayor be duly chosen, and the common council a president, in their respective

chambers, and being respectively organized shall proceed to business.—And in case any person elected mayor of said city, shall refuse to accept said office, the same proceeding shall be had as hereinbefore directed, in respect to the organization of the board of aldermen and common council, in cases where there has been no choice of mayor; and the board of aldermen so organized, shall forthwith issue their warrant for a meeting of the citizens for the choice of mayor, at such time and place as they shall judge most convenient, and said meeting shall be organized, and the same proceedings had in all respects in relation to the choice of mayor, as are hereinafter directed in the twentieth section of this act. And in case of the unavoidable absence, by sickness or otherwise, of the mayor elect, on the first Monday of April, in each year, the city government shall organize itself in the mode hereinbefore provided, and may proceed to business in the same manner as if the mayor were present.

SECTION 3d. In case of the decease, inability, resignation or absence of the mayor, and the same being declared and a vote passed by the aldermen and common council respectively, declaring such cause and the expediency of electing a mayor for the time being, to supply the vanancy thus occasioned, the aldermen and common councilmen may meet in convention, and elect a mayor to hold the office until such occasion be removed or until a new election. And in case of the death or resignation of any member of the Board of aldermen, the citizens may fill such vacancy at any regular meeting that may thereafter be convened for that purpose.

SECTION 4th. The mayor and aldermen shall compose one Board, and shall sit and act together

as one body, at all meetings of which, the mayor, if present, shall preside, but in his absence, the Board may elect a chairman, for the time being; and said Board, together with common council in convention, shall choose a clerk to be denominated the city clerk, who shall hold his office for the term of one year, and until another person be chosen and qualified to succeed him, removable, however, at the pleasure of the mayor and aldermen. Before entering on the duties of his office, the clerk shall be sworn to the faithful discharge of the same; and shall keep a journal of the acts and proceedings of said Board, sign all warrants issued by them, and do such other acts in his capacity, as may lawfully and reasonably be required of him; and deliver over all journals, books, papers, and documents, entrusted to him, as such clerk, to his successor in office, immediately upon such successor being chosen and qualified as aforesaid, or whenever he may be thereto required by the mayor and aldermen. And the city clerk thus qualified, shall have all the powers, and perform all the duties, now by law belonging to the town clerk of the town of Lowell, as fully as if the same were particularly enumerated, except in cases where it is otherwise expressly provided.

SECTION 5th. The persons chosen and qualified as members of the Common Council of the City, shall sit and act together as a separate body, distinct from that of the Mayor and Aldermen, except in those cases in which the two bodies are to meet in convention; and the Council may from time to time, choose one of their own members to preside over their deliberations, and to preserve order therein, and also to choose a clerk, who shall be under oath faithfully to discharge the duties of his

office, during the pleasure of the Council, and who shall attend the Council, when the same is in session, keep a journal of its acts, votes, and proceedings, and perform such other services in said capacity as the Council may require.--All sittings of the Common Council shall be public; also all sittings of the Mayor and Aldermen, when they are not engaged in executive business. Four members of the board of Aldermen, and fifteen members of the Common Council shall constitute a quorum for the transaction of business. And each of the persons chosen as members of the Common Council shall, within two days after his election, be furnished with a certificate thereof, signed by a majority of the officers presiding at such election, which certificate shall be presumptive evidence of the title of such person to a seat in the Common Council; but the Council however shall have the authority to decide ultimately upon all questions relating to the qualifications, elections and returns of its members.

SECTION 6th. The Mayor of the City, shall be the chief executive officer of said corporation, and shall be compensated for his services by a salary, to be fixed by the board of Aldermen and Common Council in City Council convened payable at stated periods: which salary shall not exceed the sum of Fifteen Hundred Dollars, annually, and he shall receive no other compensation or emolument whatever; and no regulations enlarging or diminishing such compensation, shall be made to take effect until the expiration of the year, for which the Mayor then in office, shall have been elected. And the Mayor shall be vigilant and active at all times, in causing the laws for the government of said city to be duly executed and put in force; shall inspect

the conduct of all subordinate officers in the government thereof, and as far as in his power, cause all negligence, carelessness, and violation of duty, to be duly prosecuted and punished.—Whenever in his judgment the good of the city may require it, he shall summon meetings of the Board of Aldermen and Common Council, or either of them, although the meeting of said boards, or either of them, may stand adjourned to a more distant day; and perform such other duties as the City Council may legally and reasonably require. And the Mayor, from time to time, shall communicate to both branches of the City Council, all such information, and recommend all such measures as may tend to the improvement of the finances, the police, health, security, cleanliness, comfort and ornament of the City.

SECTION 7th. The administration of police, the executive powers of the city with all the powers heretofore vested in the selectmen and overseers of the poor, of the town of Lowell, are hereby vested in the Mayor and Aldermen, as fully as if the same were herein enumerated, who shall be ex-officio members of the school committee. The Mayor and Aldermen may also grant licences to innholders, common victualers, and retailers, within the city, in all cases wherein the County Commissioners for the County of Middlesex, on the recommendation of the selectmen of Lowell, have heretofore been authorized to grant such licences; and may appoint annually, such a number of persons as constables for the city, and from time to time such special constables as the public service may require; all of whom shall be removable at the pleasure of the Mayor and Aldermen; and the constables so appointed shall have the same pow-

ers as are by law vested in constables chosen by towns in this Commonwealth. And the Mayor and Aldermen may cause the public streets of the city to be lighted, and for that purpose may set up and construct lamps, gas pipes, or other apparatus, such as public necessity or convenience may require.

SECTION 8th. All other powers now by law vested in the town of Lowell, or in the inhabitants thereof, as a municipal corporation, shall be, and hereby are, vested in the Mayor, Aldermen and Common Council of the City, to be exercised by concurrent vote—each board having a negative upon the other. Especially, they shall have power to make all such needful and salutary by-laws, as towns by the laws of this Commonwealth have power to make and annex penalties, not exceeding twenty dollars, for the breach thereof, which by-laws shall take effect, and be in force, from and after the times therein respectively limited, without the sanction or confirmation of any court or other authority whatever: *Provided*, that such by-laws shall not be repugnant to the laws of this Commonwealth; and shall be liable to be annulled by the legislature thereof. The city council from time to time, may lay and assess taxes for which towns are by law required or authorized to assess or grant money, and also for all purposes necessary for carrying into effect the powers conferred by this act: *provided, however*, that, in the assessment and proportionment of such taxes, the same rules and regulations shall be observed, as are now established by the laws of this Commonwealth, or may hereafter be enacted, relative to the assessment and apportionment of town taxes. The city council may provide for the assessment and collection of such taxes, make appropriations of all pub-

lic moneys, and provide for the disbursement thereof, and take suitable measures to ensure a just and prompt account thereof, and for these purposes may either elect such assessors and assistant assessors as may be needful, or provide for the appointment or election of the same, or any of them, by the Mayor and Aldermen, or by the citizens, as may be most conducive to public good, and shall also require of all persons entrusted with the collection, custody or disbursement of public moneys, such bonds with such conditions and such sureties as the case may require.

SECTION 9th. The city council may provide for the appointment or election of all officers necessary for the good government of the city, not otherwise provided for; prescribe their duties and fix their compensation; cause any street or streets, public places or squares in the city to be graded, paved, macadamized, or repaired; and cause permanent side-walks to be constructed on the same, in front of buildings, at the expense of the owners thereof, and temporary ones in front of vacant lands, at the expense of the abutters or of the city, which side-walks, when accepted by said council, shall be afterwards maintained at the expense of the city, whenever the convenience of its inhabitants may require the same, and cause drains and common sewers to be laid down through any streets or private lands, paying the owners thereof such damage as they may sustain thereby; and require all persons to pay a reasonable sum for the privilege of opening any drain into said public drain or common sewer; and lay out, make and continue, or discontinue all city and town ways or streets within the limits of the city; and widen or straighten county ways, within the city, in such manner as the public

convenience may require; and any party agrieved by such building of side-walks, laying of drains or common sewers, and alterations of ways, shall have the same remedies as are provided by law for the doings of county commissioners. The city council may also make and establish necessary or fit rules and by-laws for the inspection, survey, measurement and sale of timber, brick, wood, coal, and bark for fuel, brought into the city for sale, and for the regulation of carriages in the streets of the city; appoint certain places in the streets and squares of the city, as public stands for wagons, carts, sleds and carriages of every description, and ordain fit penalties, not exceeding twenty dollars, for the breach of any of the ordinances, rules and regulations so made and established, to be recovered upon complaint of any officer or other inhabitant of the city, before the police court therein, for the use of the city. The city council shall also have the care and superintendence of the public buildings, and the care, custody, and management of all the property of the city, with power to lease or sell the same, and to purchase property in the name and for the use of the city, whenever its interest or convenience may require. The city council may, by a committee, by them appointed, or by instructions to any officer having charge of the streets, appropriate, set off and reserve, as sidewalks, such parts of any streets of the city, as may be necessary for the safety, convenience, and accommodation of foot passengers, and permit or direct posts of stone or wood, or trees if necessary, to be placed along the edge of said sidewalks to protect the same, or the passengers travelling thereon.

SEC. 10. All the power and authority, now or

hereafter, to be by law invested in the Boards of Health of towns in this Commonwealth, shall be and the same are hereby transferred to, and vested in the city council, to be carried into execution by the appointment of Health Commissioners, or in such other manner as the health and cleanliness of the city may require, subject to such alterations as the Legislature may, from time to time, adopt.

SEC. 11. The Mayor, Aldermen and Common Council, shall, as soon as convenient, after their annual organization, meet in convention, and elect a Treasurer of the city.

SEC. 12. The persons elected to constitute the School Committee, shall enter upon their duties on the first Monday of April in each year, and shall hold their offices for the term of one year from the time of their so entering upon said duties; and they shall have the same powers and perform the same duties as are by law vested in and required of the School Committees of towns and school districts in this Commonwealth.

SEC. 13. All boards and officers, acting under the authority of the city, and entrusted with the receipt and expenditure of public money, shall be accountable therefor to the city council, in such manner as they may direct. And the city council shall publish and distribute, annually, for the information of the citizens, a particular statement of the receipts and expenditures of all public moneys, and a particular statement of all city property, five days at least, prior to the first Monday in February.

SEC. 14. In all cases in which appointments to office are directed to be made by the Mayor and Aldermen, the Mayor shall have exclusive power of nomination; such nomination, however, being

subject to be confirmed or rejected by the Board of Aldermen: *Provided*, however, that no person shall be eligible to any office, the salary of which is payable out of the city treasury, who at the time of his appointment, shall be a member of the city council.

SEC. 15. The two branches of the city council, on the second Monday of October, in each year, shall meet in convention, and determine the number of Representatives, which it may be expedient for the city to elect to the General Court in such year, and shall publish such determination, which shall be conclusive; and the number thus determined, shall be specified in the warrant calling a meeting for such election of Representatives.

SEC. 16. The inhabitants of the city qualified as aforesaid, may, at any meeting legally called for that purpose, order a division of the town into six wards, in such a manner, as to include an equal number of inhabitants in each ward, as nearly as conveniently may be, consistently with well defined limits to each ward, including in such computation of numbers of inhabitants, persons of all descriptions, and taking the last census made under the authority of the United States, this Commonwealth, or of the city, as a basis of computation; *Provided*, however, not more than two meetings for that purpose shall be holden in any one year. And after said division into wards, the same shall not be altered, except by the city council once in five years, in such manner as to preserve as nearly as may be, an equal number of inhabitants in each ward.

SEC. 17. Prior to every election of city officers or of any officer or officers under the government of the United States, or this Commonwealth, the

Mayor and Aldermen shall make out lists of all the citizens of each ward, qualified to vote in such election, in the manner in which selectmen and assessors of towns are required to make out similar lists of voters, and for that purpose they shall have free access to the assessors' books and lists, and be entitled to the aid and assistance of all assessors, assistant assessors, and other officers of the city. And the Mayor and Aldermen shall deliver such lists of voters in each ward, to be used by the warden and inspector thereof, at such election; and no person shall be entitled to vote at such election, whose name is not borne on the list; and to prevent all frauds and mistakes in such elections, the officers presiding thereat shall take care that no person shall vote at such election, whose name is not borne on the list of voters, and shall cause a mark to be placed against the name of each voter on such list, at the time of giving his vote.

SEC. 18. At the first meeting of the inhabitants of the city, for election of officers, in their several wards, the persons authorized to issue a warrant for said meeting, may designate some suitable person to preside at each ward meeting until the clerk of the ward shall be chosen and qualified, and the person so presiding shall receive, sort, count and declare the votes given for such clerk in open ward meeting, and the person having a majority of all the votes given, shall be declared elected, and such presiding officer shall record the state of the votes in a book to be kept by the ward for that purpose.

SEC. 19. On the last Monday of February, in each year, the citizens of the city, qualified to vote in city affairs, shall meet together within their respective wards, at such time and place as the Mayor and Aldermen may in their warrant direct and

appoint, and the citizens shall then choose by ballot one warden and one clerk, who shall hold their offices for one year, or until others shall be appointed in their stead. And such wardens shall have the same powers as moderators at town meetings have. And such clerk shall make a fair and true record, and keep an exact journal of all the acts and votes of the citizens at such ward meetings; and deliver over such records and journals, together with all other documents and papers held by him, in his said capacity, to his successor in office. And if, at the opening of the annual meeting, the warden of such ward shall not be present, the clerk of such ward shall call the citizens to order, and preside at such meeting until a warden shall be chosen by ballot. And if, at any other meeting the warden shall be absent, the clerk in such case, shall so preside, until a moderator or warden pro tempore, shall be chosen; which may be by nomination and vote, if the clerk so direct.

At such meeting also, three inspectors of elections shall be chosen for such ward, being resident therein, by ballot, to hold their offices for one year. And the warden and inspectors, in each ward, shall receive, sort, count and declare all votes, at all elections within said ward. And the warden, clerk and inspectors, so chosen, shall respectively be under oath, faithfully and impartially to discharge their several duties, relative to all elections; which oath may be administered by the clerk of such ward to the warden, and by the latter to the clerk and inspectors, or by any Justice of the Peace of the county of Middlesex. And certificates of such oaths having been administered, shall be entered in the record or journal to be kept by the clerk of such ward. And if, at any meeting, the clerk should be absent, a clerk pro tempore shall be chosen by ballot.

SEC. 20. The inhabitants of the city, qualified to vote in city affairs at their respective ward meetings, to be held on the first Monday of March in each year, shall be called upon to give in their votes for one person to be the Mayor, six persons to constitute the board of Aldermen, and four persons being inhabitants of said ward, to be members of the common council, and one person being also an inhabitant of said ward, to be a member of the school committee, and all the votes so given in each ward being counted and declared by the warden and inspectors of elections, shall be recorded at large by the clerk in open ward meeting; and in making such declaration and record the whole number of votes given in shall be distinctly stated, together with the name of every person voted for, and the number of votes given for each person, such numbers to be expressed in words at length and a transcript of such record certified and authenticated by the warden, clerk and a majority of inspectors of elections for each ward shall be forthwith transmitted or delivered by such ward clerk to the clerk of the city. And the city clerk shall forthwith enter such returns, or a plain and intelligible abstract of them, as they are successively received, upon the journal of the proceedings of the Mayor and Aldermen, or some other book to be kept for that purpose. And the Mayor and Aldermen shall meet together within two days after such election, and examine and compare all the said returns, and ascertain what persons shall have been elected to the offices aforesaid, and give notice in writing to all persons elected to the several offices aforesaid, and also make the same known to the inhabitants of the city. But if on such examination, said elections shall not be complete, the Mayor and Aldermen shall issue their warrants for meeting

in such wards as shall have failed to complete their elections; and the same proceedings shall be had in all respects as are hereinbefore directed, until such persons shall be chosen by a majority of all the voters voting in such elections.

Provided, however, that until the city be divided into wards according to the 16th section of this act, the inhabitants of the city shall meet on the first Monday of March annually, at such time and place as the Mayor and Aldermen shall, by their warrant calling such meeting, appoint, and the city clerk presiding, shall then and there choose a moderator to preside over said meeting, who shall have the power and authority given to moderators of town meetings by the laws of this Commonwealth, and shall then and there vote by ballot for one person to be Mayor, six persons to be Aldermen, twenty-four persons to be members of the common council, and six persons to be members of the school committee for the city. And the Moderator and Aldermen, or a majority of them, shall receive, sort, examine and count the votes at such meeting given in for said Mayor, Aldermen, Common Council and School Committee, and then the same shall be declared by the moderator, and recorded by the city clerk in open meeting in the journal of the proceedings of the Mayor and Aldermen, or some other book kept for that purpose; and in making such declaration and record, the whole number of votes shall be distinctly stated, together with the name of each person voted for; and the number of votes given for each person respectively. And in case said elections shall not be completed at the first balloting, said meeting shall adjourn for not less than one day nor more than four days: and at such adjourned meeting the balloting shall be renewed for completing the same, the same pro-

ceedings thereupon had as herein before directed; and such adjournment and balloting shall be renewed from time to time, if necessary, until persons are elected to fill all said offices, by a majority of the voters voting at such election. And the Mayor and Aldermen shall ascertain by inspection of said record, what persons are so elected, and give notice thereof in writing to every person having such majority, within two days after such election. *Provided, further,* That, if after three ballotings, there be no choice of Mayor, then a Mayor shall be chosen from the two persons having the highest number of votes for that office, by joint ballot of the board of Aldermen and common council, in city council assembled.

SEC. 21. For the purpose of organizing the system of Government, hereby established, and putting the same into operation in the first instance, the selectmen of the town of Lowell, for the time being, shall seasonably before the first Monday of May next, issue their warrant for calling a meeting of the inhabitants of said town, qualified to vote in town affairs, at such time and place as they shall think expedient for the purpose of giving in their votes for a Mayor, six Aldermen, twenty-four members of the Common Council, and six members of the School Committee. And the votes so given in, shall be received, sorted, counted, examined and declared by the selectmen, and recorded by the town clerk. And in case said election shall not be completed at the first balloting, the balloting may be renewed, and the selectmen may adjourn the meeting from time to time, if necessary, for not less than one day nor more than four days at any one adjournment, until said election shall be completed. And the selectmen shall give notice, in writing, within two days after such election, to the persons

elected by a majority of the voters, voting at such meeting. And the persons so elected shall organize themselves, and enter upon the duties of their respective offices on the first Monday of May, in the same manner as is provided in the second section of this act; and may continue in office until the first Monday of April, in the year one thousand eight hundred and thirty-seven.

SEC. 22. All elections for Governor, Lieutenant Governor, Senators, County Treasurer, Representatives, Representatives to Congress, and all other officers who are to be chosen and voted for by the people, shall be held at meetings of the citizens qualified to vote in such elections, in their respective wards, at the time fixed by law for those elections respectively. And at such meetings, all the votes given in, being sorted, counted, and declared by the warden and inspectors of elections, shall be recorded at large in open ward meeting, by the clerk, and in making such declaration and record, the whole number of votes given in shall be distinctly stated, together with the name of every person voted for, and the number of votes given for each person; such numbers to be expressed in words at length. And a transcript of such record, certified and authenticated by the warden, clerk, and a majority of inspectors of elections for each ward, shall forthwith be transmitted or delivered by such ward clerk to the city clerk. And the city clerk shall enter such returns, or a plain and intelligible abstract of them, as they are successively received, upon the journal of the proceedings of the Mayor and Aldermen, or some other book to be kept for that purpose. And the Mayor and Aldermen shall meet together within two days after every such election, and examine and compare all such returns, and thereupon make out a certificate

of the result of such election, to be signed by a majority of the board of Aldermen, and also by the city clerk, which shall be transmitted, delivered or returned, in the same manner as similar returns are by law required to be made by the selectmen of towns; and such certificates and returns shall have the same force and effect in all respects, as like returns of similar elections made by the selectmen of towns. And in all elections for representatives to the general court, in case the whole number proposed to be elected shall not be chosen by a majority of the votes legally returned, the same proceedings shall be had as is required by the laws of this Commonwealth in case of towns failing to elect their representatives: *Provided, however,* That until such time as the city shall be divided into wards according to the sixteenth section of this act, the inhabitants of said city, qualified as in this section aforesaid, at all the elections in this section above mentioned, shall meet on the days fixed by law for those elections respectively, at such time and place as the Mayor and Aldermen, for the time being, may by their warrant calling such meeting, appoint; and the same proceedings in all respects shall be had as are by law provided in the case of town meetings for said elections. And the like proceedings, in all respects, shall be had in regard to making out, authenticating and returning a certificate of the result of each of such elections as are above in this section provided.

SEC. 23. General meetings of the citizens qualified to vote in city affairs may, from time to time be held to consult upon the public good, to give instructions to their representatives, and to take all lawful measures to obtain a redress of grievances according to the right secured to the people by the constitution of this Commonwealth. And such

meetings shall be duly warned by the Mayor and Aldermen upon the requisition of fifty qualified voters of the city, and in case the Mayor and Aldermen refuse to call a meeting, any Justice of the Peace of the county upon the same requisition is authorized, if he shall think proper, to call such meeting by a warrant under his hand, directed to the constables of the city, if any there be, and, otherwise to any of the persons applying therefor, directing them to summon the inhabitants qualified to vote in city affairs, to assemble at the time and place, and for the purpose expressed in said warrant.

SEC. 24. The annual election of officers of the town of Lowell, in the months of March and April, in the year eighteen hundred and thirty-six, shall be suspended. And all officers, now in office shall hold their places until this act shall go into operation.

SEC. 25. All officers of the town of Lowell, having the care and custody of any records, papers or property, shall deliver the same to the city clerk within two days after his entering upon the duties of his office.

SEC. 26. All acts and parts of acts, inconsistent with, or repugnant to the provisions of this act, shall be, and the same are hereby repealed. But nothing in this act contained shall be so construed as to restrain or prevent the legislature from amending or altering the same whenever they shall deem it expedient.

SEC. 27. This act shall be void unless the inhabitants of the town of Lowell, at a legal town meeting called for that purpose, shall, by a majority of voters present, and voting thereon by a written vote, determine to adopt the same within fourteen days after the passing of this act.

CENTRAL VILLAGE.

This name is given to that part of Dracutt lying on the Merrimack river, opposite Lowell. It embraces a circuit of half a mile around Central Bridge, and is mostly laid out into streets, squares, and Building lots. Ten years ago, this tract was almost without an inhabitant, where now are from 50 to 60 families, and the prospect of a rapid settlement.

There is an Academy incorporated, called the "Central Village Academy." The company has organized and secured a considerable amount of funds. The site for the Academy is elevated, and has a commanding view of Lowell, and all the surrounding country. The building was completed in the spring of 1836, and school commenced in June last.
